To whom it may concern,

I am writing on behalf of Prince Rock Primary School to recommend the Faith and Football 'Extra Time' after school reading club.

We have been running the club in our school for almost a year now and it has been absolutely brilliant.

We run it with our year 2 children and it has been a real success. The acid test with after school clubs is always 'drop out' figures and no one has left. Everyone comes week in week out because it's great!!

In simple terms loads of volunteers from the local church and big name local sports stars such as Argyle's Rory Fallon and the Raiders James Noel, descend on our building and read bible stories with the children. It is well organised, well staffed and well resourced. The staff are well trained, very enthusiastic and the kids are both enjoying themselves and learning at the same time.

I can't speak more highly about the club and I recommend it to you without reservation.

For more details please contact me at the above address.

Yours faithfully,

Simon Spry
