Extra Time Reading

St Swithun's has been fortunate enough to be part of the Extra Time Reading Support since September 2010.

The scheme has had immense benefit for the pupils involved. They have improved their reading skills and most especially their confidence and enjoyment of reading. Much of this is due to the quality of the reading materials used but largely due to the dedication of the Reading mentors. The mentors have built up excellent relationships with the pupils and their families and their encouragement has led to accelerated reading progress for many of the children.

The children particularly enjoy the visits and encouragement they receive from Linvoy Primus - he is a fantastic role model for all of us!

The Reading Mentors and Naomi have become valued members of our school community and we all look forward to their weekly visits.

The organisation of the scheme has been superb at all times and everyone involved is very approachable.
